DGA INTER CLUB COMPETITION RED ALERT

Due to current requirements, we will allow one spectator per athlete entered. If rules change, this may be updated closer to the time of the event. There will be a gold coin donation on the day. Parents will be able to enter Otaki Street 10 minutes into the warm up time. This will help with congestion in foyer areas.

Cleaning will take place prior to the event and between each session to ensure all equipment is sanitised.

Our venue is vaccine mandated, and all staff, volunteers, spectators and gymnasts over 12 years of age will be asked to provide proof before entering the facility.

All athletes will be asked to wash hands on arrival and sanitiser will be available for throughout the event.

Everyone must wear masks while in the venue, except for athletes.

There will not be any certificates issued. This is to minimise time for prize giving and to allow for one session to leave, prior to the next session starting.

Any changes will be communicated closer to the time.
